LANGUAGE AND LINGUISTICS IN MELANESIA is published twice a year. Articles, books for review and other items of interest should be sent to the editor, care of the secretary of the Society. Prospective contributors should follow the style sheet of the Linguistic Society of America. The journal seeks to publish articles dealing with scholarly comment on languages of Melanesia and the linguistic situation in Melanesia, recognising that over a fourth of the world's languages are spoken by the people of Melanesia. This emphasis is symbolised by the cover design.
